I am writing this letter to advise you that I was wrongfully suspended from Dept of Social Security and wrongfully terminated from my current employer (Geico).

On August 3rd, 2005 a confidential call came to my current employer (Geico) indicating that I was suspended indefinitely from Dept of Social Security. In addition, the caller stated I broke the privacy act by giving Social Security information in exchanged for monies.

My employer Geico wanted to know if the allegations were true. I denied the allegations. I also want to point out that I am not guilty in committing any crimes. However my employer wanted proof and I explained that the caller provided confidential information that is in violation of the privacy act. You and I know I would not have such proof.

It was already addressed to the courts that several managers at Social Security broke the privacy act and caused damage to my brain. Now, the prosecutors representing Dept of Social Security somehow want to decide my fate. I trust that you must know that if Dept of Social Security is having a problem as to what direction needs to be taken in proceeding with the criminal case or civil case then they should have consulted you.

Me being unemployed while the managers who caused the crime; can work or retire is not the answer.

Since, August 3, 2005 I had a breakdown. I have contacted my Union Rep to re-open my workers comp claim. I have been to unemployment offices. I have been to welfare. My child support payments were terminated.

I am only one woman with children. You can't begin to understand the rage I have everyday.

*Please hold a conference with the prosecutors and reprimand who done this to me.
Please contact my employer Geico. Speak with Rosemary Maher at 516 496 5013 and
ask her to contact the home office in Washington to see if they can put me on indefinite
administrative leave until the workers compensation is awarded.*

*After this is all done, I want an attorney appointed from the courts to represent me. I
plan to sue Dept of Social Security 100 million dollars and Geico as well.*

*However Geico, can counter sue you for the damage that Dept of Social Security has
done.*

*I trust that you can bring a speedy resolution to this case. My heart very sadden as I
know once these issues are address to the appropriate parties it will be difficult for you.*

Cordially yours,

Sharon B Parsons
